

# Christina Lu

Software Engineer

Atlanta, Georgia | christina.lu3799@gmail.com | (678) 761-6898 | Website | GitHub | LinkedIn

I am a prospective law student turned software engineer who is eager to leverage my problem-solving skills and creativity to work on functional projects through intentional and user-focused design. Fascinated by the power of technology to solve everyday problems, I am a fast learner with a keen attention to detail when tackling any project. My passion to solve problems with the power of code makes me excited to continue deepening my knowledge and improving upon my expertise in the field.

## EDUCATION

**Software Engineering Immersive Coding Bootcamp** | General Assembly | Remote May 2022 – Present
